56. Gerald G. May, M.D., *Will and Spirit: A Contemplative Psychology*, (New York, NY: Harper Collins Publishers, 1982), 118-119. I believe that all real truth is God's truth. Because I agree with May's observation that this is a danger, I quoted him. Using this quote is in no way an agreement with his view that all major spiritual traditions lead to

core truths or to God. Isolated “nuggets” of truth can, in fact, exist in the writings and traditions of various religions. But, they can only be recognized by comparing them with biblical truth.
